CHARLIE DAVIS.

A Former Hopkinsville Man, Dead in San Francisco.

Mr. Charlie D. Davis, formerly of this city, died in San Francisco Nov. 21st, aged 37 years. Mr. Davis was in business here until about ten years ago, when he moved to Tennessee and later to California. He leaves a wife in California and a number of relatives in this city. He was a brother of the former policeman, W. B. Davis.

DEATH NEAR FAIRVIEW.

Good Man Passes Away After Brief Illness.

Mr. Jas. Gray, a well known farmer of the Fairview neighborhood, died last Thursday night. Death was due to pneumonia, from which he had been a sufferer for a week. He was about 45 years old and leaves a family. The interment took place in the Gray burying ground Saturday.

Author of Ben Hur III.

The family of Gen. Lew Wallace is alarmed over an illness with which he has been suffering. At present he is confined to his bed. The trouble started with a diseased tooth, but has developed until the general is a greatly weakened condition.

CONTEST EXTENDED.

Popular Lady Decision Will Be Postponed Sixty Days.

It is proper to add at this time, when no advantage has been secured by any contestant foretelling the probable outcome of the Popular Lady Voting Contest, that it has been decided to extend for about sixty days the time that the contest will run. It will close not later than March 4th, 1903. The postponement has been decided upon for several reasons. One is that many subscribers begin in January and these will be given an opportunity to renew.

Another reason is that the extension of the time will remove the difficulties in the way of many delinquents who have promised to pay up as soon as they realize on tobacco and other crops. Many do not sell until after the holidays. The interest is growing in the contest, which was not fully understood at first and the time set, Dec. 29, has been found to be too short for the purposes the contest was intended to accomplish. A postponement will do no harm to any contestant and will undoubtedly contribute largely to the success of the contest from a business standpoint.

Officers Elected.

The Teachers Association of this congressional district adjourned Saturday at Owensboro. Madisonville was selected as the next place of meeting. Prof. T. H. Smith, of Madisonville, was elected President; Prof. A. C. Burton, of Morganfield, Secretary, and Miss Mary Sasseen, of Henderson, Treasurer.

Dangerously Ill.

Mr. Clyde Barnett, assistant engineer for Forbes & Bro., son of Mrs. Sallie Barnett, is dangerously ill at the home of his mother, on North Main street, of typhoid-pneumonia. His condition was unimproved yesterday and his recovery is considered doubtful.

FORTY-SIX

Converts at Baptist Meeting Up to Sunday Night.

Meeting Will Close To-Morrow Night, Making Twenty-Three Days It Has Continued.

The revival at the Baptist church, in which Rev. Francis William Taylor has done the preaching for three weeks, will close Wednesday night.

Up to Sunday night there had been forty-six additions to the church, about forty of them new converts and the rest by letter.

These additions have increased the membership of the church to about 575. Others are expected to join before the meeting closes.

Mr. Taylor has proven to be a preacher of wonderful drawing qualities. His crowds have packed the church day after day and night after night for three weeks and the results of the meeting have surpassed expectations.

A collection was taken up Sunday night to defray the expenses of the meeting and compensate the evangelist. The contributions were purely voluntary and the officers of the church will continue to receive them until to morrow night.

RIVES-CLAYPOOL.

Popular Young Farmer to Wed Bowling Green Belle To-day.

The Park City Times says:

"The pleasant announcement is made of the approaching marriage of Miss Ella H. Claypool, of this city, to Mr. George P. Rives, of Casky, Christian county. The marriage will take place Tuesday (today) at the residence of Mrs. Mildred Claypool, on Twelfth street, the bride's mother. No invitations have been issued, and only the family and immediate relatives will be present. Mr. and Mrs. Rives will leave at once for St. Louis and other points and will be at home to their friends after Dec. 12. Miss Claypool is one of the most popular young ladies of Bowling Green. Her family is one of the oldest, largest and most prominent in the county. Mr. Rives is a wealthy young farmer and resides near Hopkinville."

Mr. Rives is a son of Mr. R. F. Rives and a brother of Attorney Frank Rives, of this city. He is engaged in farming with his father, the firm cultivating something like 2,000 acres of the finest lands in the county. Mr. Rives is one of the most progressive and wide awake young men in Christian county. Of robust physique, strikingly handsome, well qualified for business and prosperous in his affairs, he has a bright future before him. The KENTUCKIAN tenderers its congratulations in advance.

CHRISTIAN COUNTY LAND.

Several Farms Sold By Master Commissioner Yesterday.

Master Commissioner Frank Rives sold the following Christian county land yesterday:

Pernecia Blalock farm of 150 acres near Carl, to Gano Lacy, \$300.

Ethel M. Kieth tract of 111 acres, near Crofton, to—Tweedie, \$730.

Tract of S. F. Cowan, dec'd, near Carl, 18 acres, to S. N. Cowan, \$200.

John B. Larmer tract of 160 acres in North Christian, to James Buchanan, \$675.

F. M. Cooper land, three tracts on the Greenville road five miles from the city—tract of 100 acres, to John Loftouse, \$300; 2nd tract of 100 acres, to James Cooper, \$170; 3rd tract of 83 acres, to Frank Vinson, \$50.

B. W. Allen farm of 123 acres near Elmo, to J. A. Allen, \$2,967.50.

WORK BEGINS.

Large Force of Hands Break Dirt on Tennessee Central.

Starting Point in Phelps' Field Near Illinois Central Depot.

Robt. Russell, contractor on the Hopkinsville end of the Tennessee Central railroad, pitched camp yesterday in R. H. Holland's field and is getting ready to begin work at once. Mr. Russell has 80 head of mules and drivers for them and his representative, O. D. Thompson, has been trying for several days to secure 100 hands, paying them \$1.25 a day. A good many have been secured and actual work is expected to begin to-day. Dirt will be broken in Crab Apple pond, just south of town on the Palmyra pike. There will be a cut on both sides of the pond, which will be traversed and cut in two. The first work will be to make this fill from the cuts on either side.

The road runs so close to J. H. McClure's house that it hits his kitchen in the yard. Crossing into Holland's field it cuts his farm in two and runs through the paddocks of Dr. M. W. Williams' stock farm. It crosses Main street a little further than the first survey and connects with the I. C. in the Phelps property. A price of \$1200 is asked for the right of way through the Phelps farm, \$200 more than the road offered.

There is a good deal of grading and cutting to do near the city and the work will be divided between two crews, one working east and the other west of the Palmyra road. When four miles has been graded, the construction camp will be removed and track will be laid from this end.

If anybody has entertained a doubt that the T. C. means business, he has only to use his eyes to be convinced that Hopkinsville is certain to have the road as soon as it can be built. Work is going ahead at several other points, practically along the whole line between here and Nashville.

UNEARTHED A BOMB.

Relic of War Times Dug Up On Main Street.

Workmen in making an excavation on South Main Street Saturday in the rear of Mr. O. H. Anderson's new house, found three feet below the surface a bombshell about three inches in diameter. It was still loaded and will weigh about two pounds. The lot where it was buried was recently purchased by Mr. Anderson from the heirs of the late H. A. Phelps, and the spot where it was unearthed was not more than 50 feet from the Phelps homestead. How it got into the ground is a mystery. The lot has not been filled in for many years. In fact it is on top of a hill, where it has perhaps never been raised.

The bombshell is in a good state of preservation. It is closed with a wire and was made to explode with a cap inside. There were some stirring times here during the war, but no bombardment of the city, and the shell must have been dropped by some one thrown into the vacant lot, perhaps falling into a posthole or something of the sort. If any of the older citizens can throw any light upon the find, we would be glad to hear from them. It was found on the lot next to Mr. S. E. Trice, who has lived at the same place for 50 years.

Will Move to Columbus. Rev. J. H. Spurlin and wife will move to Columbus, Ky., next week, where they will make their future home. Rev. Spurlin has been the pastor of the Baptist church in this city for ten years, and it is with universal sorrow that we give him up, but Sturgis' loss is Columbus' gain, and the best wishes of all our people go with him to his new home. RHEUMATISM.

It used to be thought that rheumatism was a disease of the bones. Now we know that it is a disease of the blood vessels. If rheumatism is to be cured it must be cured through the blood.

Dr. Pierce's Golden Medical Discovery cures rheumatism because it purifies the blood from clogging and corrupting substances. It removes the cause of disease. Its effects are the same when the impure blood causes pimpls, eruptions, boils, sores, etc. By its perfect purification of the blood "Golden Medical Discovery" removes the cause of disease and gives the smooth clear skin which belongs with good health.

"I cannot praise your medicine too highly," writes Mr. James E. Campion, of Sharpsburg, Washington Co., Md., who is in business in Baltimore and has rheumatism. "I had it three months; couldn't walk at all. I tried the best doctors I could get they didn't go. I took three bottles of Dr. Pierce's Golden Medical Discovery and cured myself."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good."

Dr. Pierce's Common Sense Medicine. A doctor is free on receipt of stamp to pay expense of mailing only. Send 21 cent postage stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Commissioner in the First Railroad District of
Kentucky, subject to the action of the Democratic
party. Election Nov. 18th.

We are authorized to announce
R. C. CRENshaw,
O. Christian county, as a candidate for Com-
missioner of Agriculture for Kentucky, subject to
the action of the Democratic party. Election Nov. 18th.

The Louisville Evening News has suspended publication.

Congress will reconvene next Monday and Speaker Henderson will spend the next thirty days explaining why he declined to run. Although his successor has been decided upon, he will continue to serve as Speaker until March.

The sale of the big Porter farm in Warren county to Editor E. G. Logan, of Louisville, has been confirmed. The price was \$15,000. Mr. Logan will resign his position as editor of the Times about the first of March and move to his farm.

There are 1962 precincts in Kentucky. "Buckingham" in 1900, when Bryan pulled him through, had only 3500 votes to spare. A change of one vote in each precinct would make a difference of 3,924. "Fools rush headlong where angels fear to tread."

If Gov. Beckham is afraid to ask the Court of Appeals to pass upon his eligibility in a friendly test case as seems evident from his change of plans, somebody else should attend to it for him. It is easier for a machine to override party rules than it is to ignore the constitution.

Latham, Alexander & Co. in their annual estimate of the cotton crop put the total number of bales at 11,000,000 against 10,681,000 last year. Georgia and Louisiana raise less than last year. All other cotton growing states show an increase. Texas leads with nearly one-third of the entire crop.

The short session of Congress began yesterday. Anti-trust talk is again being indulged in and the admission of the three territories will be an important matter to come up. Oklahoma may get in, but Arizona and New Mexico are two uncertain politically to stand much chance.

A few months ago Editor Walton, of the Lexington Democrat, was pawing up the earth all over the second railroad commissioner's district in his fight against Beckmanism, which he claimed was putting him out of business. Now, when Beckman's machine decides to tax out of the contest all candidates except those selected by the machine, Mr. Walton is loud in his shouts of approval. ? ? ? ? ? ?

The editor of the Kentuckian has been misguided in some of the papers. He has not "intimated" that an anti-machine ticket be nominated to run till November." A ticket of this sort, agreed upon by conference or in convention, would be the most effective way to outvote the machine, if the primary scheme stands the test of the courts. An

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to include all forms of disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally or externally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Seeds for circums and tincture.

All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat.

No wonder catarrh causes headache, impairs the taste, enervates and hearing, pollutes the breath, deranges the stomach and affects the appetite.

To cure catarrh, treatment must be constitutional-alternative and tonic.

"I was afflicted with catarrh. I took medicine, but it did little good, giving me a fair trial; but gradually grew worse until I could hardly bear taste or smell. I then turned to Hall's Sarsaparilla, and after taking five bottles I was cured and have not had any relapse since. I came from Lebanon, Kan.

Hood's Sarsaparilla

Cure catarrh—it soothes and strengthens the mucous membrane and builds up the whole system.

anti-machine ticket should be made up of such men as Jno. K. Hendrick, W. P. Thorne, T. Griffith, Senator Byron, or N. B. Hays, Harry Taney, Jno. B. Chapman, J. J. Watkins or Jas. H. Fujas, Robt. L. Green and some one of the several good men running for commissioner of Agriculture and this ticket pitted against the "merger ticket" in the machine primary and the people given a chance to express themselves on the issue raised.

What do the Democrats of Kentucky think of the proposition to have their party platform written by machinery? With the committee controlled in the interest of one set of candidates, the platform to be written by a sub-committee endorsing all they do and the same committee given unlimited power to tax candidates, not uniformly but upon any basis they may appear, no wonder there is likely to be a revolt against ring rule compared to which the Music Hall uprising was the murmur of the meadow brook to the wild tumult of the mountain storm.

Pretty Home Wedding.

The marriage of Dr. Benjamin Caudle and Miss Maggie Boyd, which was consummated last Wednesday afternoon, was owing to their prominence and popularity, an event in which a large circle of friends felt deeply interested.

Save to a few of the kinsmen of the contracting parties the announcement in the KENTUCKIAN some two weeks ago, came as a complete surprise even to their intimate friends, who, although they were aware that the couple had been sweethearts a long time, did not know that the date for the wedding had been arranged.

The marriage took place at the handsome home of the bride's parents, near Newstead, Ky., and a large concourse of relatives and friends were present. It was one of the prettiest weddings of the season. The decorations were exceptionally beautiful. The spacious parlor contained beautiful flowers, palms, chrysanthemums, holly and evergreens, in profusion and the effect was exquisite.

Promptly at three o'clock, to the strains of the wedding march beautifully rendered by Miss Florence Wynnes, the bride entered the parlor with her maid of honor, Miss Lizzie Nance, followed by the groom with his best man, Mr. Will Lynn Caudle. They were met at the improvised altar of palms, evergreens, etc., by Rev. W. L. Payton. The attendants fell back to either side of the handsome young couple and the nuptial ceremony was begun, the music being continued softly.

At the conclusion of the ceremony the bridal party were driven to the home of the groom's father, at Howell, Ky., where a reception was tendered them that night.

After a visit to other friends and relatives they will be at home to their friends at Newstead, Ky., after December the fifteenth.

Dr. and Mrs. Caudle were the recipients of many useful and lovely bridal presents, attesting the regard in which they were held by their acquaintances.

The bride is one of the sweetest and most universally admired girls of the younger set in this neighborhood. Her lovely disposition and graciousness have endeared her to everyone who knows her.

The good-looking doctor is rapidly rising in his chosen profession and is a gentleman of sterling worth, ambition and integrity.

The good wishes of a host of friends go with them and may their married life be one uninterrupted sea of happiness with no sorrows to ruffle its foam. A FRIEND.

AGAINST PRIMARY

Senator Watkins Thinks it a Great Hardship.

Senator J. J. Watkins, of Union county, who has been in the city for the past two days attending the meeting of the Second Congressional District Teachers' Association, left Saturday afternoon for Louisville. Senator Watkins has been considering for some time the advisability of making the race for the Democratic nomination for superintendent of public instruction, but the recent action of the Democratic State Executive Committee in ordering a primary has put the senator in a quandary. While he is not outspoken yet, it is quite apparent that he thinks that if he goes into the primary it will be like going against nothing less than a brace game of the most pronounced type.

Senator Watkins stated that the Democrats of his county, which is the bulwark of Democracy in the Second congressional district, were considerably wrought up over the arbitrary action of the State executive committee, and that they were absolutely against holding a State primary. He also said that a State primary would practically eliminate the possibility of poor men, no matter how competent they were to fill any position, from making a race for a State office.

"The Union county Democrats," said Senator Watkins, "will meet in Morganfield Monday to take action in regard to the State primary. I am confident that a protest will be made. I will hasten home from Louisville in order to be present and take part in the proceedings. I am very desirous of making the race for superintendent of public instruction, but I am a poor man and the putting up of an enormous fee would put a financial burden on me that I have my serious doubts as to whether I could shoulder. However, I expect to have something to say about the matter in Morganfield Monday."

He said he had intended to attend the meeting of the executive committee at Frankfort to personally enter his protest against a primary, but was unable to leave home at the time.—Owensboro Messenger.

CONDENMED

Prevailing Sentiment in Hancock Against Primary.

Hawesville, Ky., Nov. 29.—The writer has interviewed a sufficient number of leading Democrats in Hancock county to say that they, as a unit, condemn the calling of a state Democratic primary. Hancock Democrats have to fight like tigers for every inch of ground they get, and they believe they see in this move nothing but harmful results in a primary.

They declare it to be undemocratic in that it will forever put a stop to one of moderate means seeking to serve his country in office. There isn't, so far as can be ascertained, a Democrat of any prominence in Hancock county who is either for Mr. Beckman, or any other aspirant who is now in office at Frankfort, either as chief or sub. Our people want a new deal and fresh men. There are plenty of them, qualified and eligible beyond what we have.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a strong kidney trouble will easily indicate the unhealthy condition of the kidneys. If you find it has passed through your lines it is evidence of kidney trouble; too much salt will cause it to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge of some of the remedies. Dr. James Shaw, of Swamp Root, the great kidney root, will easily fulfill every in curing rheumatism, pain in the back, kidneys, liver, bladder and every part to hold water and scalding in passing it, or bad effects following use of liquor, wine or beer, and overcome that unpleasant disease. It is a good remedy to go to bed during the day, and to sleep more times during the night. The mild and the extraordinary effect of Swamp Root is soon to be known. It is a sure and safe remedial cure of the most distressing cases. If you need a medicine you should have it made in the drugstore in 50c, and \$1 sizes.

You may have a sample bottle of this wonderful discovery and tell me more about it, both sent to me. Address Dr. Kilmer & Sons, Home of Swamp Root, Co., Birmingham, N. Y. When writing mention reading this generous offer in this paper.

### LOST HIS VOTE,

Then Lost in Suit for Heavy Dam-  
ages.

The damage suit of David Brown-  
ing against Benjamin Watson and  
Gus C. Severin for \$5,000 was  
thrown out by the federal court at  
Owensboro. Browning was not al-  
lowed to vote in the election of 1900.  
He stated in his petition that he  
was a resident of Webster county  
at that time, but was temporarily  
living in Owensboro, having shortly  
before received an appointment in the  
revenue service. He went to Dixon  
to vote, but the defendants, who  
were officers of the election, re-  
fused to allow him to cast his bal-  
lot. He alleged that they had a  
corrupt motive for not allowing him  
to vote and asked \$5,000 damages.  
The defendants admitted that he  
was not allowed to vote, but said  
that he was refused because he  
had no legal right to cast his ballot.

**COLD WAVE,**  
With Blizzardous Weather Pre-  
dicted for December.

Last Storm Period of Year Central  
on Christmas Day—Moderate  
Weather the Forecast.

Hicks, in Word and Works, sums  
up December weather as follows:

From the 2nd to the 4th inclusive,  
cloudiness, with rain and snow will  
pass eastwardly across the country.  
The cold weather sure to follow the  
first storm period of the month will  
moderate on, touching the 7th  
and 8th, the barometer will fall,  
winds will drop around to southerly,  
and more rain, turning to snow,  
west and north, will pass eastward-  
ly across the country. On and  
about the 8th, general rains, with  
possible lightning and thunder  
southward, are probable. In all  
reasonable probability, a wide and  
general cold wave will spread over  
the country from about the 9th to  
the 12th.

A regular storm period is central  
on the 14th, covering the 12th to the  
17th. The disturbances of this  
period will reach a crisis within  
forty-eight hours of the time of full  
moon on the 14th, naturally AFTER  
rather than before that hour. During  
this period many very decided  
winter storms will visit the North  
Atlantic ocean, making navigation  
perilous and unpleasant. In fact,  
a long and severe spell of boreal  
storms and storminess, especially  
on the seas and along northern  
coasts, will set in about this time  
and continue well through the re-  
mainder of the month. Very de-  
cided blizzards in the north and west  
will be very natural on and about  
the 14th and 15th. Behind these  
storms look for a very high barom-  
eter, with severe winter gales from  
the northwest, and cold wave that  
will be felt in varying degrees to  
the southern coasts.

All through this part of the  
month continued tendency to winter  
storms will prevail, but a marked  
return to stormy conditions, with  
general rain and may be expected  
about the 19th to 21st. On the 21st  
these reactional storms will cul-  
minate in possibly winter thunder,  
wind and rain, especially to the  
south, but it will be wise to look for  
a sudden change to snow, sleet and  
freezing, as the center of the low  
barometer works well to the east.

The last storm period for Decem-  
ber and the year 1902 is central on  
Christmas day, the 25th. Storms of  
this period may have developed in  
Western sections by the 25th, but  
central and eastern parts of the  
country will most likely have fair  
and moderate weather Christmas  
day. From about Friday, the 26th,  
to Monday, the 29th, rain and snow  
will advance eastward quite across  
the country, leaving very cold  
weather behind them over most of  
the country as the month goes out.

### RAILROAD TAXES

Paid Into Treasury For Last Six  
Years.

The Fiscal Court met in its regu-  
lar monthly session Friday and  
transacted routine business. The  
most important matter that came  
up was the report of Esq. S. G.  
Buckner revenue agent and special  
commissioner, that he had collected  
from the Louisville & Nashville  
railroad \$6,508.16, franchise tax  
for the years 1896 to 1901, and after  
deducting his commission of 30 per  
cent, he had paid over to the county  
treasury the sum of \$4,555.71. The  
report was formally accepted.

E. Youtsey made a statement to-  
day in which he said: "No docu-  
ment from me is in the hands of the  
prosecution in the Goebel case. I  
have never been called to the witness  
stand, but I have been so  
abused that I feel now that I should  
be willing to tell what I know about  
that affair, no matter which side  
called me."

His statement has created a sen-

### TIRED OF LIFE.

Former Soldier Commits Suicide  
By Shooting.

Marion Pritchett ended his life  
by shooting himself with a shotgun  
at Madisonville Thursday. He had  
wearyed of life because of adversi-  
ties. Pritchett was a Spanish-  
American soldier, a member of the  
Third Kentucky regiment, and will  
be remembered by all the "boys" of  
Southwestern Kentucky. He was a  
member of a well known family of  
Madisonville, his father being  
Thomas W. Pritchett. "Mike"  
Pritchett, as he was known, lost a  
leg as he was returning from Cuba  
after peace had been declared by  
Spain by falling beneath a train  
at a small station near Nashville.

### ROBBED THE BANK.

Vault Completely Destroyed But  
Robbers Got Only \$17.

The First National Bank of Wick-  
life, was dynamited Friday night  
by a gang of robbers and while the  
vault was completely destroyed and  
bank building considerably damaged  
the robbers only secured \$17.  
It is supposed that four men par-  
ticipated in the robbery. They  
made good their escape.

### RATES FOR EXPORT.

The railroads in the Central

raise in rates on export provisions.

The new tariff is effective Jan. 1.  
Domestic rates are not disturbed.

### FOUR ECLIPSES,

### WILL NOT RUN.

Malcolm Yeaman Talks of Gover-  
nor's Race.

Henderson, Ky., Nov. 27.—In an  
interview here this morning Hon.  
Malcolm Yeaman set at rest the rumors  
that he would be a candidate for  
the Democratic nomination for  
governor. He will not be in the  
race.

In reply to the question, "Is there  
any probability that you will enter  
the race?" he replied: "None what-  
ever. Some of the local papers have  
mentioned the matter, but what has  
been said was not of my procure-  
ment. I have not now, and never  
had, the least desire to become a  
candidate for the office, nor any  
desire to be brought into notice in  
that connection, not even a wish to  
start the report in order to get a  
chance to deny it, and you needn't  
deny it unless you want to."

Mr. Yeaman also declares that  
Gov. Beckham is eligible to re-elect  
and says that he is in favor of  
a primary. The fact that Mr. Yeam-  
an has a son who is an appointee  
under Gov. Beckham, in the capac-  
ity of assistant superintendent of  
the Lakeland asylum accounts, do  
not move him to a large degree, for the  
last two declarations.

A Good Cough Medicine.

(From the Gazette, Tasmania, Australia.) I find Chamberlain's Cough Remedy is an excellent medicine. I have been suffering from a severe cough for the last two months, and it has effected a cure. I have great confidence in recommending it. W. C. WOCKER. This is an opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith that others may try the remedy and be benefited, as was Mr. Wocker. This remedy is sold by C. K. Wyly.

To be sold as Slaves.

CONDUCTOR KILLED.

Lost Both Legs and Died Day After Accident.

Thos. D. Groves, an L. & N. freight conductor on the main line, while assisting in coupling cars at Madison, a station a few miles north of Nashville, fell under the wheels and both legs were crushed off. He was taken to Nashville, where he died. Groves' home was near Bowling Green. He was about 30 years old and unmarried.

Prescribed By Her Physician.

Neocla Falls, Kan., Nov. 13, 1900. Popular Syrup Co., Monticello, Ill.

Dear Sirs:—For almost fifteen years I suffered from indigestion and last winter thought I would die when my physician, Dr. A. L. Lovell, first tried to advise my trying Dr. Caldwell's Syrup Peppermint, which I did, and two bottles cured me. It not only relieved me, but it cured me so that I have not been troubled since.

If any one should offer me \$500 for my secret, I would not tell him, I would not think of taking it.

No one can take your medicine without being convinced of its more than wonderful cures. I recommend it to all my friends as a laxative and stomach remedy.

Yours with gratitude.

Mrs. J. MORGAN.

### NO AGREEMENT REACHED

For Purchase of the Turnpikes by Daviess Fiscal Court.

Owensboro, Ky., Nov. 26.—There was a meeting of the Fiscal Court of this county and the representatives of the various gravel road companies here today, but no agreement could be reached and the meeting adjourned without accomplishing anything. J. William Field, R. S. Hughes and Dr. Hugh Kimble represented the different companies. The companies asked for 50 to 80 per cent. of the capital stock, while only \$600 to \$800 a mile was offered by the court. Condemnation proceedings will likely result.

### Ballard's Horsehound Syrup

Immediately relieves horse, croaky cough, oppressed, rattling, rasping and difficult breathing. Harry C. Stearns, manufacturer, Waukesha, Wisconsin, writes, May 20, 1901: "I have been selling Ballard's Horsehound Syrup for two years, and have never had a preparation that has given better satisfaction. I find that when I sell a bottle, they come back for more, notice that when I sell a bottle, they come back for more. I can honestly recommend it. 25c, 50c and \$1.00 at R. C. Hardwick."

### Will Begin His Campaign.

The Louisville Commercial of yesterday says: "Hon. John K. Hendrick, of Paducah, was at Seelbach's last night. Mr. Hendrick is a candidate for the Democratic nomination of governor, and returned from Frankfort yesterday where he attended the meeting of the state executive committee. While strenuously opposing a primary to nominate a state ticket, Mr. Hendrick last night declined to comment on the committee's action, stating that he was content to await the decision of the court in the injunction proceedings. He did state, however, that he would immediately begin an aggressive campaign of the state in the interests of his candidacy, speaking at various points."

### He Found a Cure.

R. H. Foster, 318 S. 2d Street, Salt Lake City, writes: "I have been suffering from dyspepsia or indigestion for 21 years, having tried many doctors without relief, but I have found a cure in Herbine. I recommend it to all my friends, who are afflicted that way, and it is curing them, too. 50c at R. C. Hardwick."

### ABDOMEN CRUSHED.

Fate of Webster Yingling in Football Game at Coxscothton,

Coxscothton, O., Nov. 27.—Webster Yingling, captain and star halfback of the Newcomerstown Athletic Club football team, was fatally injured in a scrimmage here today. He is still unconscious. ### Favorite Family Remedy.

### Asks His Resignation.

Some one carried away a quantity of cake and ice cream from the Y. M. C. A. building in Owensboro a few days ago, says an exchange. Secretary Mitchell gave the police the names of fourteen boys as suspects. The parents of the boys have demanded that the Y. M. C. A. board call for Mr. Mitchell's resignation. The directors after a stormy meeting adopted a resolution disclaiming responsibility for the secretary's action. The case will be further considered at a special meeting December 2.

### In Memoriam.

Miss Sudie Ladd departed this life October 12, after an illness of thirteen days duration. She died at the home of her sister, Mrs. Mildred McGee, at Bennettsburg. Deceased was 44 years of age the 19th of April last. She had been a consistent member of the Baptist church about 24 years. She professed faith in Christ and was baptized by Rev. A. W. Meacham. She moved her membership to Cerulean Springs church, where she remained a faithful member until she moved her membership to Little River Baptist church during the time the writer was pastor there, and was a member there at the time of her death. She gave all necessary directions about her burial, and requested that a song be sung at the grave, and that the 8th chapter of Romans be read and a prayer be offered. She had no fear of death. The writer has often talked with Miss Sudie about her hope of heaven. She surely entertained a bright hope of heavenly glory beyond this vale of tears.

Sister Ladd was one of the choicest, saintliest characters we ever knew. No one came in touch with her without feeling that God had been moulding her life and character all these years. She had a deep inner consciousness of being a child of God, and in His presence and blessings, she rejoiced. Her life was given to Him, and how she delighted in His service. She loved God's house, the place of His abode; she loved the cause of Christ, and rejoiced in the prosperity of Zion. She was a friend to the poor and needy.

Many will call her blessed because of her gentle ministry of love. In her last hours she longed to be with her Lord, and soon the fatal hour was over, her spirit took its way back to God, and on her placid face was marked the sweet and peaceful rest of a child of God.

"We shall reach the riverside Some sweet day, some sweet day:  
We shall cross the stormy tide, Some sweet day, some sweet day:  
We shall press the sands of Gold, Some sweet day, some sweet day:  
Heaven a Splendor, yet untold, Some sweet day, some sweet day:

"We shall meet our loved own Some sweet day, some sweet day:  
Gathering round the Great White Throne  
Some sweet day, some sweet day.  
By the Tree of Life so fair,  
Joy and rapture everywhere,  
Oh! the bliss overthere,  
Some sweet day, some sweet day."

"Thank God! we sorrow not as others who have no hope. For if we believe Jesus died and rose again even also those who sleep in Jesus will God bring with him."

To bereaved ones; we shall meet her again in the land of eternal Sunshine and Song where the waves of sin and death are no more as-salt or separate forever.

C. E. PERRYMAN.

### Solves a Problem.

The Mayville Public Ledger has solved a problem. It says: The question as to how a two-dollar-a-week boy can smoke cigarettes, bowl every night, take a semi-weekly buggy ride with a girl, buy two or three tickets for every show and feed on bananas by the dozen, was partially answered a few days ago by the discovery that one of this class had gotten away with a large quantity of his employer's goods and cash from a store on West Second street.

Don't forget to use a little Prickly Ash Bitters whenever the stomach or bowels are disordered. It quickly removes such troubles and makes you feel fatigued and cheerful. R. C. Hardwick, Special Agent.

### Timid Newspapers.

Some newspapers are so timid they won't even give the news, if it happens to tread upon somebody's toes—much less express an opinion editorial. Such papers have no excuse for an existence. They should trade themselves off for a "yaller" dog, then kill the dog—Florence Herald.

## VOTING CONTEST.

### The Most Popular Lady In Christian County to Be Determined By Ballot.

The Winner Will Be Awarded a Dr. *Foster* worth \$110.

**A** VOTING contest was begun August 29, for four months, to determine by popular vote the most popular lady in Christian County. To the lady receiving the highest number of votes, we will present an elegant set of bedroom furniture, now on exhibition at Pyle & Gaett's. It is quartered oak, of the finest make and latest style, and is worth \$110. The contest will close at 12 o'clock, noon, Monday, December 29, 1902. The plan will be as follows:

Every subscriber to the Kentuckian who pays back dues or cash in advance will be entitled to cast one vote for each five cents paid. That is to say, a subscriber who pays \$2.00 will have 40 votes, one who pays \$1.00 will have 20 votes and so on for any amount large or small. In every paper published there will be a coupon and these coupons when cut out and brought or sent to the office will represent each one vote. A subscriber will also have the privilege of gathering up coupons clipped by friends from their papers and voting them one at a time, or by the hundred if preferred. One will also have the privilege of buying papers at the office at five cents each and voting the coupons cut from them.

The coupon ballots will be deposited in a ballot box with two keys. One of these keys will be held by County Judge W. T. Fowler and the other by Mayor Jouett Henry. The box will be opened not often than once a week, all ballots then in it taken out, counted and certified to, sealed up in an envelope and replaced in the ballot box. The envelope will contain statement of the votes in it, so that its contents will not need to be counted again until the official count at the close of the contest.

The last week of the contest the ballots may be deposited without showing them, so that the close of the contest may be secret and exciting to the end.

**NEWSPAPER CHANGE.**

Henry Watterson's Courier-Journal Announces a New Policy.

During Three Decades the Louisville Courier-Journal has stood up alterably and conspicuously before the public as the representative of the great commonalty of the people against both the Robber Baron, seeking through the accretion of ill-gotten money to steal away the people's liberty by stealing away their franchise rights, and the ready tool of the Robber Baron, the bandit politician, masquerading as a Statesman and a patriot the better to serve the ends of his master. In fulfilling this high function it has sometimes had to go fast and sometimes to go slow, sometimes to cry "forward," and sometimes to cry "halt," sometimes to drive at the root of things, and sometimes to drive ahead; but never changing the direction of its movement and always true to the underlying principle of its being, expressed by the simple demand for "The Greatest Good to the Greatest Number."

With the advent of the New Year, that is on the first of January, 1903, the Courier-Journal began a campaign from which it looks for commanding results, and the better to reach the objects it has before it, the twice-a-week edition, returning to the old Weekly Courier-Journal, which for a quarter of a century was literally a political bible to millions of Americans who knew they could trust both its prescience and its disinterestedness.

The new Weekly Courier-Journal is modern in every respect, and is a paper for the home. It is issued every Wednesday, and it is ten or twelve eight-column pages are filled with the best work of the best writers. The price of the paper is \$1 a year, in advance, and it is well worth it.

By a special arrangement with the publishers of the Courier-Journal you can get that paper and THE KENTUCKIAN one year for \$2.50.
